Guidelines for Ph.D Programme at IUAC

Research Fellows:

IUAC recruits a few JRFS as and when needed. An advertisement for walk-in interview is published in Employment News and in leading Newspapers. Advertisement also available in the website of the Centre. Candidates who have qualified UGCCSIR conducted NET (JRF) are eligible for appearing in the interview. Interview is conducted by a committee formed by Director, IUAC which consists of senior scientists of IUAC and one or two external faculty members from neighbouring institutes/universities. Candidates selected in the interview go through one year training programme conducted by IUAC. Candidates are registered with JNU under the supervision of scientists of IUAC. Research activities are in Experimental Nuclear Physics, Material Science, Atomic Physics, Radio biology, Accelerator Physics, Radiation Physics.

Ph.D Teaching programme:

IUAC conducts specialised lecture courses for Ph.D program at the centre. This is divided into two semesters: January to May and August to December. During January - May two courses on Experimental Physics and Accelerator Physics are taught. Each course consists of five modules. Each module has 12 hours contact program and carries 1 credit. During August to December three courses are taught on Material Science with heavy ions, Nuclear Physics and computer control and data acquisition. Performance of the students are assessed by examination, seminar etc., and are graded in 10 point grading system. This program though meant for centre's JRFs and scientist trainees is open to all students doing Ph.D / M.Phil / M.Tech in any university in India. Students from other universities are selected based on their bio - data, research interest and recommendation from guide/ HOD. Programmes are put into our web site and also sent to physics department of universities for display in notice board.

Postdoctoral Research Program:

Besides JRFs centre recruits research associates. Those who have completed their Ph.D work can join in this program. Research Associates are taken through advertisement in leading news paper or sometimes individual can send their bio-data in advance to the Director. Candidates having good academic record and publications in reputed journal are called for presentation of their work. A committee formed by the director selects the suitable candidates.
