PART 2

FINANCIAL BID

SCHEDULE (BILL) OF QUANTITIES

GUIDELINES FOR FILLING UP THE PRICE BID DOCUMENT

1. The schedule of quantities shall be read in conjunction with the instruction to tenderers, General and special conditions of contract, Additional specifications.
2. The quantities given in the schedule of quantities are estimated and provisional, and are given to provide a common basis for bidding. The basis of payment will be the actual quantities of work ordered and carried out, as measured by the contractor and verified by the engineer and valued at the rates and prices tendered in the priced schedule of quantities ,where applicable, and otherwise at such rates and prices as the Engineer may fix within the terms of contract.
3. The rates and prices tendered in the priced schedule of quantities shall except in so far as it is otherwise provided under the contract include all constructional plants ,Labor, supervision, materials, transportation, erection, maintenance, insurance, profit, taxes and duties, together with general risks, liabilities and obligations set out or implied in the contract.
4. A rate or price shall be entered against each item in figures as well as in words and the amount against each item is to be worked out. The cost of items against which the tenderer has failed to enter a rate or price shall be deemed to be covered by other rates and prices entered in the schedule of quantities.
5. The method of measurement of completed work for payment shall be in accordance with the specifications.
6. The tenderer should quote their rates in figures as well as in words.
7. The tenderer shall price the schedule of quantities in Indian Rupee only.
8. The tenderer should very carefully read the list of approved makes attached at the end of Section-5 specifications. Items of only these makes shall be allowed to be used in the work.
