Azadi Ka Amrit Mahotsav

National Technology Day
10th-11th May 2024

Viksit Bharat 2047 Hetu Swadeshi Takniki

Inter-University Accelerator Centre, an autonomous centre of UGC, Ministry of Education is celebrating National Technology Day with the theme "Viksit Bharat 2047 Hetu Swadeshi Takniki" by organizing lecture series delivered by eminent speakers.

Technology Day is celebrated to commemorate the historic nuclear tests carried out by India on May 11, 1998, in Pokhran, Rajasthan. The nuclear tests were a significant step towards showing the self-reliance achieved by India in the field of nuclear development and security.

The day is being celebrated to ignite the young minds of the country to get inspiration from the latest technology available around the country and contribute towards the greater goal of achieving "Viksit Bharat 2047 Hetu Swadeshi Takniki."

"Program Galaxy and Attractions"

- Display of unique models by students
- Screening of a movie on National Technology Day
- Literature/Books display by National Book Trust
- Special lectures by dignitaries from ISRO, DRDO and other prominent research institutes of the country
- IUAC indigenous technology demo, and certificates of participation along with lunch will be given to all the pre-registered participants.
