LETTER OF RECOMMENDATION
TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Rahul Barman (Roll no: 25GG40020) is a bonafide student of the first year of the 2-year MSc (Geology) program of the Department of Geology and Geophysics, Indian Institute of Technology (IIT) Kharagpur, and to the best of my knowledge, he bears good moral character.

Mr. Rahul Barman wants to participate in an Orientation Program conducted by IUAC Orientation for M.Sc. students from 27/12/2025. The Orientation program will be a good opportunity for Rahul to broaden his knowledge and understanding of stable isotope systematics.

I strongly support his application and recommend Rahul Barman for the above mentioned program under your organization.

With best regards
