

# 6th-8th May 2026 High Performance Computing User Workshop

IUAC, NEW DELHI

## ABOUT THE WORKSHOP

IUAC is organizing a user workshop for the users and potential users of its High Performance Computing cluster. The workshop is inviting participation from the existing users and the prospective users of the installed facility. The workshop aims to provide a common platform for HPC users to discuss their ongoing work with field experts and to educate them on optimal utilization practices. Furthermore, it will provide an opportunity for the new users to get acquainted with running programs on the PARAM RUDRA cluster of IUAC.

Join us to enhance your skills in high performance computing and connect with field experts.

- Learn best practices for utilizing the Param Rudra cluster effectively for your computational needs.
- Discuss ongoing projects and share experiences with fellow HPC users and experts in your field.

### REGISTRATION FEE

There is no registration fee for attending the workshop.

### IMPORTANT DATES

Registration Opens	31st March 2026
Registration Closes	15th April 2026
Intimation of selection	13-21st April 2026
Workshop	6th-8th May 2026

To Apply - [https://gate.iuac.res.in/iuac\\_forms/index.php/web\\_panel/home/view\\_form/135](https://gate.iuac.res.in/iuac_forms/index.php/web_panel/home/view_form/135) OR scan the QR Code
